poppin. HEAVY-DUTY LCD MONITOR ARM

HEAVY-DUTY LCD MONITOR ARM

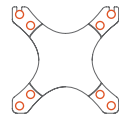

Ideal for mounting on our Series A or Loft Desks, the Silver Loctek Monitor Arm tilts and swivels for total control over your monitor. It's simple to adjust, allowing you to create comfortable setups and reduce neck, eye, and back strain for every way you work.

BELLS + WHISTLES

- Choose from Single or Dual arms
- Crafted from anti-scratch aircraft-grade aluminum, each Monitor Arm is equipped with a torque control valve
- The gas spring hovering system makes it simple to adjust your monitor height on both arms
- Features 360° horizontal free rotation for ease of control
- You can extend, retract, and rotate the monitor arm from landscape to portrait
- Durable hardware supports both clamp and grommet installation options
- The desk mount features a 2 port USB 3.0 Hub, ideal for connecting keyboards, mice, or any other USB-powered accessories
- The cable management system corrals cords and wires for a clutter-free workspace

SPECIFICATIONS

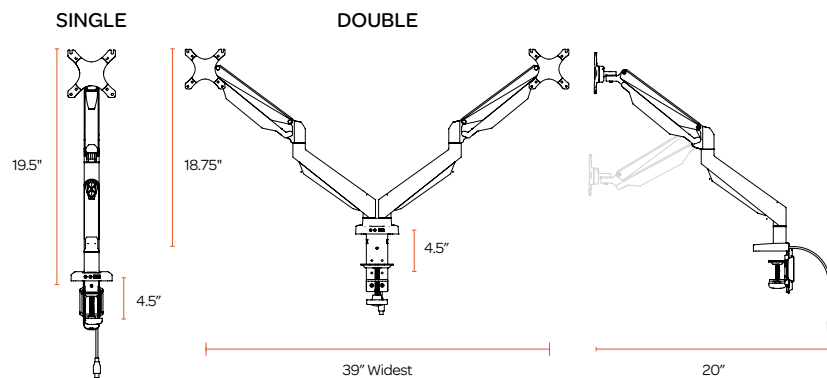

- Fits screen sizes up to 40"
- Loading capacity (per arm) 19.8 lbs
- Tilt angle: -85° ~ 15°
- Swivel angle: ±90°
- Rotation ±180°

Complies with VESA standard dimensions
75 x 75 and 100 x 100 mm

Check your monitor specifications to ensure that the arm and the monitor are compatible

EACH ARM SUPPORTS UP TO 19.8 LBS WITH
VESA BRACKET MOUNT
